

Class: 2

Barndale Learning Plan

Our Class Reads

Communication, Language & Literacy

This half term in Literacy we will be looking at stories from other cultures and traditions. We will use the books to discuss similarities and differences between the cultures and complete a range of activities to explore the cultures within the books. We will also be looking at information texts about other cultures and celebrations. We will also be using information texts to explore our topic of electricity. In phonics we will be continuing to learn to recognize single letter sounds and using them to read and spell CVC words.

It's Shocking

Numeracy & Problem Solving

In maths this half term we will be learning about money. We will learn to recognize coins and use these to make different amounts. We will also learn how to solve problems involving money and give change. This half term we will also learn about multiplication and division. We will be learning to count in 2's 5's and 10's and will learn to share items equally.

RE

In RE this half term we will be learning about a range of festivals including Hanukkah. We will also be reading and retelling the Nativity Story.

PSHE

In PSHE this half term we will be learning about how to stay safe when using electrical items. We will also be learning about staying safe online.

Science

In Science this half term we will be exploring electricity. We will be looking objects that require electricity and sources of electricity. We will also make a working electrical circuit.

Art and DT

In Design and Technology this half term we will be designing models which include electrical circuits.

Physical Education

In PE this half term will be taking part in circuit challenges and playing team games.

Geography

In Geography this half term we will be looking at renewable sources of energy. We will explore how these help the planet and make our own wind and water turbines.
