

**Class: 2**

**Barndale Learning Plan**

**Term: 2020- 2021 Summer 2**

## Our Class Reads

### Communication, Language & Literacy

This half term in Literacy we will be learning to write recounts and reports. We will be writing recounts of our holidays and trips to Clarty Commando's. We will also be learning to write newspaper reports and we will write a report about what happened at the Three Little Pigs Homes. We will also be introducing our weekly spelling tests. During our performance week we will also be recording our own news reports. In phonics will be recapping our set 1 and 2 sounds. We will also be learning to read and spell words containing set 2 sounds.

## Healthy Eating

### Numeracy & Problem Solving

In Maths this half term we will be learning about statistics. We will be learning about pictograms, bar charts and tally charts. We will be using these to find out which ice cream is our class favourite, which is the most common eye colour and which fruit is our class favourite. This half term we will also be introducing big maths sessions. Each week we will try to beat our score by solving calculation and missing number problems.

### RE

In RE this half term we will be learning about significant religious figures. We will be focusing this half term on Moses. We will listen to the story of how he led the Jewish people to freedom.

### Science

In Science this half term we will be learning about the senses. We will be learning which body part is associated with each of the five senses and carrying out a range of experiments exploring our senses.

### PSHE

In PSHE this half term will be learning about jobs that people do and how they help us. We will be discussing and exploring what jobs we would like to do when we grow up. As part of our topic we will also be learning about healthy eating. We will be making our own fruit salads and soups.

### Art and Design and Technology

In Art this half term will be learning to draw self-portraits. In Design Technology we will be designing and making our own modes of transport.

### Physical Education

In PE this half term will be continuing to follow the Jasmine PE scheme. We will be learning coordination skills and learning to pass and throw a ball with accuracy.

### ICT

In ICT this half term we will be learning about coding. We will use the bee bots and programme them to travel where we want them to go.
