

Class: 1

At school we are reading:

At home, you could also read:

Barndale Learning Plan

Term: 2020- 2021 Autumn

Our Class Reads

Literacy

We will be reading stories about night and day, light and dark.

We will be doing practical activities, labelling pictures and sequencing the stories.

We will continue to enjoy songs and nursery rhymes.

Numeracy & Problem Solving

We will continue practicing our counting to 10 skills, and beyond. We will use different toys for counting.

We will explore shapes through matching games and using shapes to make pictures.

Topic

We will be exploring different types of light. We will use the sensory room and dark den to make different shapes and patterns.

We will be learning about Diwali, the festival of lights.

See the light

Knowledge and Understanding of the World

We will continue to investigate the forest school environment. We will have decoration and firework hunts. We will collect leaves and twigs to investigate seasonal changes and create interesting pictures.

The Arts

We love painting in class 1 and will continue exploring the different colours we can make. We will be making firework pictures.

Towards the festive periods, we will be making lots of exciting gifts and decorations.

Enrichment & Ways to Wellbeing

We all enjoy sensory play in class 1. We will be using coloured rice and pasta, different types of cereal, edible sand and other sensory items.

Therapeutic Input

The sensory room is a dark space where we can explore different light activities.

Computing

We will be investigating mark making on the big screen.
