Intent

History aims to develop historical skills and concepts which are transferable to whatever period of history is being studied and will equip children for future learning. These key historical skills and concepts, which are revisited throughout different units, are: Historical Interpretations; Historical Investigations; Chronological Understanding; Knowledge and Understanding of Events, People and Changes in the Past; Presenting, Organising and Communicating.

Implementation

History will be taught through engaging, motivating and progressive units across the school. History lessons will:

- ❖ start with an engagement/thought provoking stimulus
- ❖ share a 'Big Learning Question'
- ❖ lead to some 'key enquiry questions'
- ❖ take the questions into a scheme of work
- ❖ allow pupils to develop their own Knowledge Organisers
- ❖ allow pupils to evidence their learning using scrapbooks, photographs and performances

Impact

To evidence that our pupils can do more and know more in History we will:

- ✓ Collate evidence to monitor progress
- ✓ Review knowledge organisers
- ✓ Interview pupils
- ✓ Monitor teaching
- ✓ Review schemes of work
- ✓ Follow achievements through progression maps
