

Class: 4

Barndale Learning Plan

Term: 2020- 2021 Summer B

Our Class Reads

Communication, Language & Literacy – Recount

During literacy this term, we are going to focus on our ability to recount and report our practical tasks. We are going to be learning the purpose and lay out of a recipe including creating our own summer smoothie recipe. We will be practicing our letter formation as well as creating detailed instructions including time connectives.

Science – Plants

Class 4 will be learning about the structure of a plant, the function and purpose of a plant as well as what plants produce fruit and vegetables. We will be conducting experiments to observe the best environment for a plant to grow in as well as tasting a range of plant based foods.

Enrichment & Ways to Wellbeing/ PE

During our enrichment sessions, we are going to focus on transport in the world. Throughout PE sessions, we are going to focus on walking and outdoor games.

From Farm to Fork

Knowledge and Understanding of the World

Class 4 will be learning, investigating and understanding the process of farming. We will be looking at initially how certain foods grow then how they are processed and cooked for us to enjoy.

Therapeutic Input

Class Four will have input from the Physio, SALT, OT and VI team.

Statistics

During maths this term, we will be focusing on how we display data. We will be using bar charts, line charts, pictograms and pie charts. We will be creating our own as well as analysing and answering questions. On Friday, we will be completing big maths focusing on expanding our times table knowledge. We are doing so well!

PSHE and RE – Citizenship

During PSHE, Class Four will be learning about how we can manage our own finances including working out if we have enough money to buy certain items. We will also be learning and discussing how we can be safe in the community including e-safety.

The Arts / Computing

Class Four will be learning about a local artist. We are going to analyse her work and create our own piece in her style. We are hoping to go to her studio at the end of the term. During computing, we are going to complete a project using Scratch.
