

**Class: Butterfly**

**Barndale Learning Plan**

**Term: 2022- 2023 Autumn 1**

### Our Class Reads

#### Communication, Language & Literacy

Our communication, language and literacy learning will be based on our book of the week. All of our stories include the main character going on a journey. We will be focusing on how the characters feel. We will have daily phonics sessions to develop our phonics knowledge. Read, Write Inc lessons will support our reading and writing skills.

#### Science

Our main topic in science will materials. We will be learning different words to describe materials. We will be looking at what objects are made of and sorting them into categories. We will find out what materials break easily and how we can fix them together.

#### Enrichment & Ways to Wellbeing

In PSHE, we will be exploring our feelings. We will learn about the zones of regulation, how the colours represent our feelings and different activities we can do to help us self-regulate. We will consider the impact of our actions on our friends.

#### **Maps and adventures**

#### Knowledge and Understanding of the World

This half term, we will be learning about classroom expectations. We will develop the rules together using positive language so we all know what is expected both in the classroom and around school.

#### Therapeutic Input

We will continue to work closely with the SaLT and OT using different spaces around school to support our learning including the sensory walk in the corridor and activities in the sensory room.

#### Numeracy & Problem Solving

This half term, we will continue to explore place value and number ordering. We will use practical and visual aids to support our understanding of number values. We will explore mathematical terms such as 'more' and 'lots'. We will be looking at number formation and how to write numbers correctly.

#### Computing

In computing, we will be ensuring we can use our devices safely and sensibly. We will learn the rules about using iPads in school and the importance of following the rules.

#### The Arts

In art, we will be using mirrors and different tools to answer the question 'who am I?' We will use our learning in PSHE about feelings to explore what we look like when we have big feelings. We will also create art relating to our story each week to practice skills we have learned.
