

Class: 2

Barndale Learning Plan

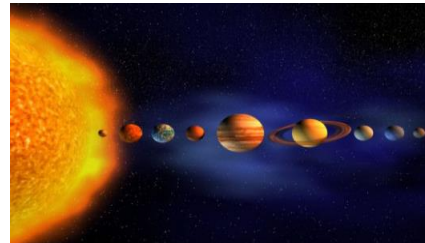

Term: 2020- 2021 Summer 1

Our Class Reads

Communication, Language & Literacy

This half term in Literacy we will be reading a range of Traditional Tales. We will be learning to sequence these familiar stories and describe the main characters. We will be writing our own versions of the stories and we will act out the main events during our performance weeks. We will also be reading some Non-Fiction books about space to help us learn more about our topic. In phonics we will be recapping our set 1 sounds and we will be continuing to recognize and read our set 2 sounds.

Spaceman

Numeracy & Problem Solving

In Maths this half term we will be learning about measurement. We will be learning to compare objects using the terms "longer" "longest" "short" "shortest" etc. We will practice measuring using objects such as cubes before beginning to use rulers to measure objects. We will also practice using weighing scales to measure the weight of objects.

RE

In RE this half term we will be reading and learning about Bible Stories. We will be reading the Creation story. We will learn about how Christians believe the world was created in 7 days.

PSHE

In PSHE this half term we will be learning about healthy eating and making healthy food choices. We will be designing making healthy snacks.

Science

In Science this half term we will be learning about the seasons and seasonal weather changes. We will discuss how the weather changes in Spring, Summer, Autumn and Winter. We will also discuss what events take place in each of the seasons.

Art and Design and Technology

In Design and Technology this half term we will be using clay to make rockets and a space scene. We will also be creating our own 3D solar system.

Physical Education

In PE this half term we will be continuing to follow the Jasmine PE scheme. We will be learning to jump and land safely as well as learning to work together as a team.

Geography

In Geography this half term we will be learning about the weather in different parts of the world. We will learn about weather symbols and use these to create a weather report.
