

Class: 1 Ladybirds

Barndale Learning Plan

Term: 2022- 2023 Autumn 1

Our Class Reads

Physical Development

This half-term we will work on our gross motor skills to develop our strength and coordination through activities such as jumping and climbing. We will also be having weekly swimming lessons to build our water confidence. Our fine motor skills will be developed through practise with small tools, such as cutlery and paintbrushes. We will also be working on our own individual targets.

Personal, Social and Emotional Development

This term we will be focussing on Managing Self. We will be working on having more independence to manage our personal hygiene, such as the skills needed for dressing, washing hands, going to the toilet and making choices about our diet. We will also be working on our own individual targets.

Roots, Shoots and Muddy

Literacy

As well as developing our reading by listening to a range of stories, this half-term we will be working on our individual literacy targets. These include identifying and discriminating sounds, learning the Set 1 phonics sounds (**m, a, s, d**) and beginning to learn the skills needed to blend these sounds.

Communication and Language

Communication is at the heart of everything we do in Ladybird class. We will be working on building our communication skills and understanding of language through spoken words, Makaton and PECS. As well as being incorporated into everything we do, we will work on our individual targets through small group

Mathematics

This half-term we will focus on understanding basic mathematical principles, such as grouping things which are the same and those which are different. We will also be working on individual targets to develop our numeracy skills. Our measure work this half-term will focus on size.

Expressive Arts and Design

This half-term we will be exploring a variety of materials and techniques to create artwork based on farms and Harvest, linked to our class stories. We will also be enjoying a range of nursery rhymes and Harvest songs in our daily songtime.

Therapeutic Input

We will be working closely with the Speech and Language Therapist, Physiotherapist, Occupational Therapists and Multi-sensory teacher to work on our individual targets.

Understanding the World

Through our topic work on farms and Harvest, this half-term we will be focussing on The Natural World. We will be looking at different plants, particularly fruit and vegetables, and some features of common farm animals. We will also begin to look at the change in seasons as Summer turns into Autumn.
